About Me:

Born and raised on Kauai, I am President of Yukimura's Inc., a family owned real estate development and investment company. I have a Bachelor of Business Administration (Accounting Major) from the University of Hawaii. As a Director of the Kauai Island Utility Company for 11 years, I am currently serving as Treasurer. For over 40 years I managed the family food wholesale business, later known as Koa Trading Company, the largest food distributor on Kauai, and retired as President in 2015. I am an avid golfer and have played every course on the island.
